Mr. Grisham and FOIA team:

The task of creating a FOIA in a person's name can be drawn from the nature of the request. The Region FOIA team created the individual FOIAs based on the following:

1. Your email asking for answers under your name. Hence, you would be the Requestor via a FOIA;
2. The requested information was taken directly from your actual email(s) and placed into FOIA; and
3. A follow-up call with you last week to verify what the FOIA team had done and why with no objections by you.

If you object to any of the three (3) above items and wish for any or all of the related FOIAs to be withdrawn, please advise so now. I have included the FOIA team to make sure your FOIAs appear in your FOIA on-line account.

Kindly,

Mark Ford  
Senior Attorney/ORC  
Superfund/FOIA

Mr. Ford,

You are correct, I do have the tracking numbers for the following requests, provided by email by your team after the fact of their unilaterally creating these requests on my behalf, using my name:

9595579

EPA-R6-2015-007955  
EPA-R6-2015-008322  
EPA-R6-2015-008323  
EPA-R6-2015-008325

I sent emails to you today regarding each the above, requesting:

**"Please enter this submission, created by R6 FOIA team on my behalf, into my FOIAonline account."**

Is your team willing and able to do this or not? I need my requests all to appear in my FOIAonline account where I can keep track of them in one place.

Please do not create further new requests on my behalf and using my name, as your team has done in the past, but please allow me to do so myself from within my FOIAonline account, upon being informed that my questions or requests for information need to be framed as FOIA requests.

Finally, please see attached the following new requests I entered as result of our exchanges today:

EPA-R6-2015-008475  
EPA-R6-2015-008476  
EPA-R6-2015-008477

I expect that R6 FOIA will not create new requests on my behalf and using my name that are duplicative of these three newest ones listed above.

Thank you.

Sincerely,

Charles Grisham, Jr.
